GOOD. Okay, now lets you and I do it. First, what is you so passionate about that you can see it, taste it , feel it, have in your head, you talk about more than anything else during the day, the thing that you read about, the type of books that you read, the stories that you tell, and the person that you would like to become. Now define yourself in five words which describes you. Now choose 3 words that you think someone else would use to describe you. Now choose one word that will sum up what you have been

utilizing your time -working in or on what?

Next write down three subject tiles in that you want to write about.

Which one of these subjects is more trendy and is current to today's topics in the news or is relevant to some activities that is that are being widely debated and discussed on radio, around the water cooler, in grocery store check-out lines and topics that are appearing on magazines covers on news-stands and magazine racks across the nation.

What problems -solution are being addressed on the cover of these magazines? See how problem -solution

questions /answer radio talk shows are addressing these issues and model your topics along the lines of the big media giants.

You can make millions just by learning about the problems that are plaguing millions of people who are searching and looking for answers to ease, fix, eradicate, improve, expand, grow, learn how to, change their conditions and circumstances and take control of their own lives.

Now , lets get into the nuts and bolts of Making Money With 1-2 Reports

You see there are actually 5-pages. These five pages consists of 1.) front cover, 2.)

back cover. 3.) Introduction page, 4.)
Table of contents. 5.) Page 1 and page
2 the actual content of the report itself.

The most impressive and fun part of
writing and selling 1-2 Reports is making
the cover design and the title so
dynamic and intriguing that it will
capture the visitors attention and do
70% of the selling of your report for you.
The back cover page of your report
should confirm you as an expert and a
authority on the topic of what your
report is all about. Here is where you
can also tell your potential buyers about
you and why your report is worth every
dollar that you are asking for it. Here on

this page you list your bio and give your reader a chance to get to know, like and trust you. Even though I mention this information here, don't forget your 2 page report is the main star of your show-Not you. Remember that: and deliver what you promised – as a matter of fact, over deliver. Make your 2 page report give the potential customer at least 3x more in value than they could ever imagine in their wildest dream. This is the stuff that will grow your 1-2 reports into a publishing empire in 3-6 months.
